"I have Sjögren's and dry eyes are one of my symptoms. I literally had dry patches on my eyes. I needed to have a product I can depend on to keep them hydrated and stop that gritty itchy feeling. I know it may sound cliché, but it's true! My eyes are the desert and you are my Oasis! I've found a product that not only feels good when I put it in, but continues to feel good. I was so frustrated, but not anymore. Thank you OASIS!" - Charlene D., New Jersey
